SPELLING RULE PRACTICE: C & G Sounds

USE THE SONG TO HELP YOU REMEMBER THE RULE!

- Read the words of the song.
- Sing the words of the song.
- Add hand movements to remember even better.

POWER TIP!

"MIM!" = Make it Multisensory!

Learning is easier & recall is stronger when you use more senses - sight, sound, touch - together at the same time.

When followed by

E - I - y

When followed by

E - I - y

C and G say their soft sounds:

/sss/ cent /jjj/ gent

Write some words with C & G to notice: What comes after c or g? What sounds do c and g make?
BONUS - Can you think of some words that have both hard and soft sounds? Hints below!

SPELLING RULE PRACTICE: C & G Sounds

REVIEW ~ TWO KINDS OF LETTERS: VOWELS AND CONSONANTS

✓ Consonants USUALLY make one sound.

C and G are exceptions to the norm - they make **2** sounds!

C & G MAKE TWO SOUNDS: HARD AND SOFT SOUNDS

So how do we know which sound? Here's how!

C

Hard Sound

Borrows from K.
Says /k/ as in coat.

Soft Sound

Borrows from S.
Says /s/ as in cent when followed by e, i, y.

G

Hard Sound

Makes its main sound.
Says /g/ as in goat.

Soft Sound

Borrows from J.
Says /j/ as in gentleman when followed by e, i, y.

You can pick your own KEY words to help you remember sounds. What key words would you choose?
