1-1-1 DOUBLE SPELLING RULE SONG

Get your body ready! 3 -2- 1...

When you're adding a suffix that starts with a VOWEL...
Follow these steps to tell you how!

Is there ONE syllable in your root word? YES?
Then STOMP that floor!

Is there ONE consonant at the end? YES?
Then STOMP one more!

Is there ONE vowel before it? YES?
Then this STOMP is our THIRD!

So we jump on two legs
to DOUBLE
the last consonant
in our word!

And NOW...
Add your suffix that starts with a vowel!

That's the 1-1-1 Double Rule song!
WHEW!

Examples:

No double consonant...

cup + ful = cupful
consonant suffix

visit + ing = visiting
2 syllable root word

plant + ing = planting
2 consonants at the end

sneak + ing = sneaking
2 vowels

Double the consonant...
